*Each person's life tells a story, and we seek ways to make sure that our loved one's lives will be remembered. AMOREM offers three opportunities to remember your loved one with a lasting tribute. A personalized brick in memory or in honor of your loved one can be a part of the **Path of Remembrance**, the walkway from the front porch of the William E. Stevens, Jr. Patient Care Unit at Kirkwood in Lenoir, in the **Courtyard of Reflection** in the courtyard area behind the Forlines Patient Care Unit in Hudson or in the **Memory Garden** beside the Valdese Patient Care Unit in Valdese. The personalized brick will bear witness to the life of your loved one and provide enduring inspiration to AMOREM patients, their families and friends who seek comfort as they walk around our grounds.*

Commemorative bricks can be purchased to memorialize or honor a loved one, or to recognize a church, business or civic group.

Each brick can have up to three lines of engraving, with up to 18 characters per line. Each letter, punctuation mark and space counts as a character. Text may include "In Memory of" or "In Honor of" your loved one, your family's name, or your company's name or organization.

Each four-by-eight inch brick can be purchased for \$200. For an additional \$25, you can receive a duplicate of your brick for display.

You will be notified after your brick has been installed in the Path of Remembrance, the Courtyard of Reflection or the Memory Garden. Please allow 12 to 16 weeks for engraving and placement of your brick before notification. If you would like to see your brick onsite, an AMOREM staff member will be happy to show you the walkway, courtyard or garden.

Order now, a limited number is available.
