VETERAN VOLUNTEERS

AMOREM

QUALITY. COMPASSION. SUPPORT.

There are over 18 million veterans living in America today. These men and women often carry experiences from their military service that present unique needs when facing end-of-life. AMOREM addresses these with our **We Honor Veterans** program that offers individualized support for veterans under our care and in the community.

Veteran volunteers have a unique ability to relate with veteran patients—creating an environment where life review and healing may occur. The camaraderie between veterans is supportive for both the patient and the volunteer.

VETERAN VOLUNTEER OPPORTUNITIES

VETERANS HONORING VETERANS

A simple but meaningful ceremony allows military veteran volunteers to honor veteran patients. Our veteran volunteers visit veteran patients to present them with a handmade lapghan, small American flag, a certificate of appreciation and a lapel pin as a way to honor their military service.

VETERAN-TO-VETERAN VOLUNTEERS

Trained hospice volunteers with military service may be assigned to veteran patients when requested.
